The Resulting Company will be concentrating on manufacturing of yarn suitable for manufacture of Suiting Cloth and Knitted Fabrics. Its products will continue to be marketed in the domestic market in Erode, Tirupur and Pallipalayam in Tamilnadu. Since the Resulting Company will be manufacturing yarns of different kind, garments, athletic wear, other products in the textile value chain and market them in different area and in order to manage both the Mills efficiently and in a focused manner and to improve the overall performance of both the Mills, the management of Demerged Company has considered it necessary to demerge, transfer and vest the B Mill of the Demerged Company, as a going concern into the Resulting Company.
