Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. REPORT ON MANAGEMENT'S DISCUSSION AND ANALYSIS

i. Industry structure and developments

Our company is engaged in the manufacture of all types of yarn used for manufacture of woven and knitted fabrics and is sold both in the domestic and international markets. Demand for yarn in the domestic market depends upon demand for fabrics for domestic consumption and for fabrics for export as such or for manufacture of garments and other textile products exports. Thus domestic demand of yarn depends on the level of domestic consumption through direct use and capability to sell fabrics and garments and other textile products in the international market. Direct export of yarn is for the manufacture of fabrics in the foreign countries. In India, especially in Tamil Nadu, excess spinning capacity has been established without corresponding capacity build-up for fabrics production, processing capacity and garment manufacture. No effective system has been put in place to scrap obsolete spindle capacity and to ensure a coordinated capacity additions in all segments of textile industry. Non-availability of adequate number of employees has resulted in reduction in production of yarn. Maintaining good quality, increasing the volume, optimizing the product mix and capacity utilization, ensuring availability of adequate power at reasonable cost, cost reduction and taking up down stream value are the ways to progress. Current developments and effect of the same in the performance were discussed in the Directors Report.

ii. Opportunities and threats

Non availability of adequate skilled manpower, high cost of all inputs and lack of financial support from Banks, resulted in reduction in capacity utilization of marginal spinning mills and thereby reduction in supply of yarn. This has provided an opportunity to the established players to strengthen their position. Changes in the international market for raw cotton, policies preferences of Government affecting Textiles, high cost of power, non availability of adequate skilled man power and lack of financial support from banking system are the threats faced by the industry.

iii. Segment wise or product wise performance

Since the company is engaged in the production of Textile products only, there is no segment wise or product wise reporting of performance.

iv. Outlook

As discussed in the Directors Report, the industrial conditions are now favourable spinning sector and performance of the company is expected to improve.

v. Risks and concerns

Inconsistency in the price and the demand for yarn and highly volatile cotton market are the two risks associated with spinning mills. Your company plans to face these risks, through suitable sales efforts, optimum product mix, prudent purchase of cotton, improving raw material realization, ensuring availability of adequate power by purchase from private power producers at reasonable cost, implementing cost reduction measures and improving productivity.

vi. Internal control systems and their adequacy

The company is having an efficient and adequate internal control system commensurate with size and level of operations of the company.

vii. Discussion on financial performance with respect to operational performance.

This has been discussed in details in the Directors Report.

viii. Material developments in Human Resources/ Industrial Relations front, including number of people employed.

The company's performance in the industrial relations front continues to be very cordial. Currently the company has 1049 employees of all ranks on its rolls.

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Ind AS financial statements of **Sri Lakshmi Saraswathi Textiles (Arni) Limited** (the Company), which comprise the balance sheet as at 31st March, 2021, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as %Standalone Ind AS financial statements%).

In our opinion and to the best of our information and according to the explanations given to us except for the possible effects of matter given in basis for qualified opinion paragraph, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

The standalone financial statements as on 31st March 2021, indicates that the accumulated losses amounting to Rs.3549.18 Lakhs has eroded the net worth of the company. The statement of profit and loss account also indicates that the company has been incurring net losses for the previous three years. These events indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. However, the company's statement of audited financial results have been prepared using the going concern basis of accounting, based on the opinion of the management that the company would generate sufficient profits in the foreseeable future.

We were not able to obtain confirmation of balance in respect of Raw material suppliers, Customers and Vendors.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter:

- We draw attention to Note No: 37 of the financial statements, which describes the effects of COVID-19 pandemic in the Company's production operations and higher cost of compliances, which does not have any significant impact in the Company's overall performance during the current period.

It is not appropriate to estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the company for future periods.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

- Due to Covid-19 related lockdown, company was not able to carry out the Physical verification of Fixed assets on a regular interval basis.
- A significant amount of physical cash balance amounting to Rs.23.31 Lakhs is being maintained by the company for a prolonged period of time, without any valid reason.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. We have determined that there are no key audit matters to be communicated in our report.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit.

In conducting our audit, we have considered the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the Standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. Sri Lakshmi Saraswathi Textiles (Arni) Limited

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of SRI LAKSHMI SARASWATHI TEXTILES (ARNI) LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Sri Lakshmi Saraswathi Textiles (Arni) Limited** (the Company) as of March 31, 2021 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s Internal Financial Controls System over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

Sri Lakshmi Saraswathi Textiles (Arni) Limited

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has an Internal Financial Controls System over Financial Reporting which needs strengthening and such Internal Financial Controls over Financial Reporting were operating as at March 31, 2021, based on the Internal Control over Financial Reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by ICAI.

5.18 Financial Asset

- i) Financial assets comprise of investments in Equity, Trade Receivables, Cash and Cash Equivalents and Other Financial Assets.
- ii) Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:
 - a) Amortized cost; or
 - b) Fair value through Other Comprehensive Income (FVTOCI); or
 - c) Fair value through Profit or Loss (FVTPL)
 - d) Amortized cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

iii) The Company classifies its financial assets for measurement as below:-

Basis of Measurement	Financial Assets
Amortized cost	Trade receivables, Loan and advances given to employees and related parties, deposits and other advances recoverable in cash or kind.
FVTOCI	Investment in Equity instruments
FVTPL	Forward exchange contracts.

- v) The company assesses at each balance sheet date whether the financial asset or group of financial assets is impaired. IND AS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

5.19 Financial Liability

- i) Financial liabilities comprise of Borrowings from Banks, Trade payables, Derivative financial instruments, financial guarantee obligation and other financial liabilities.
- ii) The Company measures its financial liabilities as below:

5.20 Fair value measurement

- i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

- ii) The fair value of an asset or a liability is measured / disclosed using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- iii) All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorized within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

- iv) For assets and liabilities that are recognized in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.
- v) For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.
- vi) The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

a. Investments in Equity

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using generally accepted valuation techniques.

b. Forward exchange contracts

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

c. Non-derivative financial liabilities

The fair value of non-derivative financial liabilities viz, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

5.21 Significant Estimates and Judgments

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Accordingly, the management has applied the following estimates / assumptions / judgments in preparation and presentation of financial statements:

(i) Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/ amortization. Also, management judgment is exercised for classifying the asset as investment properties or vice versa.

(ii) Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgment by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

(iii) Contingent Liabilities

Management judgment is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(iv) Impairment of Trade receivables

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgment considering the past history, market conditions and forward looking estimates at the end of each reporting date.

(v) Impairment of Non-financial assets (PPE/Intangible Assets / Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgment considering the timing of future cash flows, discount rates and the risks specific to the asset.

(vi) Defined Benefit Plans and Other long term benefits

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rate are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

(vii) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is exercised in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility.
