10. CDSL e-Voting System – For e-voting and Joining Virtual meetings.

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.slstindia.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation to this Ministry's **General Circular No. 20/2020** dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1 :** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2 :** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins at 9.00 AM on August 8, 2025 and ends at 5.00 PM on August 10, 2025. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date for e-voting) of August 4, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- Step 1 :** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

3. DIVIDEND

Due to accumulated loss, your Directors do not recommend Dividend.

4. SCHEME OF ARRANGEMENT

The Hon'ble National Company Law Tribunal (NCLT), Chennai Bench, vide its order in CA(CAA)/20(CHE)/2024, read with the revised orders dated October 8, 2024, October 25, 2024, and February 10, 2025, directed the Company to convene separate meetings of its secured creditors, unsecured creditors, and equity shareholders to consider and approve the proposed Scheme of Demerger. In compliance with the said order, a petition has been filed with the Hon'ble Tribunal following the conduct of these meetings. The matter is currently pending adjudication before the Hon'ble NCLT.

5. TRADE PROSPECT AND OUTLOOK

Overall the Textile industry has been going through turmoil for the past two years. High raw material prices, high imports of cheap yarns and fabrics, economic downturn and recessions scenarios across major buying markets of Europe of North America and Europe has disrupted the industry. Despite many companies closing operations temporarily, there has been very slow demand for yarns this financial year.

High Raw material prices - Cotton reached its peak prices of Rs.115,000 Per candy which destabilized the entire Textiles supply chain. This affected us drastically as our consumers were not able to absorb the increase in prices.

Low selling prices due to high imports from China. There has been very high imports of material at very low costs which has pushed the selling prices of Synthetic blended yarns drastically low. The government has implemented Quality Control Orders (QCO) against anti dumping of yarns and fabrics from China and other countries. We are positive this move will help over the current year in potentially better selling prices of our yarns.

Decline in Sales/ Demand- Our key selling markets has been very dull as they majority of Apparel manufacturers have sluggishness in export markets. Owing to war situations in Europe and North America, the quantities and demand for Finished products has been slower. Due to lack of export orders, most mills have been selling yarns in the domestic market with excess supply. This in turn has affected the supply chain of yarn and fabrics.

We are hopeful FY 2025-2026 will have a positive outlook as the government has made some policy changes regarding Imports and Anti Dumping duties in certain Textile products. With some stability in raw material pricing and improved export demand, we can expect a much better performance.

6. CURRENT YEAR

The demand for the yarn and price realization at the beginning of the current year are good. Your Directors are doing their best to improve the performance to a reasonable level.

7. DIRECTORS LIABLE TO RETIRE BY ROTATION

Mr.R.Padmanaban, Joint Managing Director on the Board retires by rotation and is eligible for reappointment.

REPORT ON MANAGEMENT'S DISCUSSION AND ANALYSIS

i. Industry structure and developments

Our company is engaged in the manufacture of all types of yarn used for manufacture of woven and knitted fabrics and is sold both in the domestic and international markets. Demand for yarn in the domestic market depends upon demand for fabrics for domestic consumption and for fabrics for export as such or for manufacture of garments and other textile products exports. Thus domestic demand of yarn depends on the level of domestic consumption through direct use and capability to sell fabrics and garments and other textile products in the international market. Direct export of yarn is for the manufacture of fabrics in the foreign countries. In India, especially in Tamil Nadu, excess spinning capacity has been established without corresponding capacity build-up for fabrics production, processing capacity and garment manufacture. No effective system has been put in place to scrap obsolete spindle capacity and to ensure a coordinated capacity additions in all segments of textile industry. Non-availability of adequate number of employees has resulted in reduction in production of yarn. Maintaining good quality, increasing the volume, optimizing the product mix and capacity utilization, ensuring availability of adequate power at reasonable cost, cost reduction and taking up down stream value are the ways to progress. Current developments and effect of the same in the performance were discussed in the Directors' Report.

ii. Opportunities and threats

Non availability of adequate skilled manpower, high cost of all inputs and lack of financial support from Banks, resulted in reduction in capacity utilization of marginal spinning mills and thereby reduction in supply of yarn. This has provided an opportunity to the established players to strengthen their position. Changes in the international market for raw cotton, policies preferences of Government affecting Textiles, high cost of power, non availability of adequate skilled man power and lack of financial support from banking system are the threats faced by the industry.

iii. Segment wise or product wise performance

Since the company is engaged in the production of Textile products only, there is no segment wise or product wise reporting of performance.

iv. Outlook

As discussed in the Directors' Report, the industrial conditions are now favourable spinning sector and performance of the company is expected to improve.

v. Risks and concerns

Inconsistency in the price and the demand for yarn and highly volatile cotton market are the two risks associated with spinning mills. Your company plans to face these risks, through suitable sales efforts, optimum product mix, prudent purchase of cotton, improving raw material realization, ensuring availability of adequate power by purchase from private power producers at reasonable cost, implementing cost reduction measures and improving productivity.

vi. Internal control systems and their adequacy

The company is having an efficient and adequate internal control system commensurate with size and b level of operations of the company.

vii. Discussion on financial performance with respect to operational performance.

This has been discussed in details in the Directors Report.

viii. Material developments in Human Resources/ Industrial Relations front, including number of people employed.

The company's performance in the industrial relations front continues to be very cordial. Currently the company has 1441 employees of all ranks on its rolls.

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF SRI LAKSHMI SARASWATHI TEXTILES (ARNI) LIMITED (CIN: L17111TN1964PLC005183)

Report on the audit of Standalone Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of SRI LAKSHMI SARASWATHI TEXTILES (ARNI) LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss, (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the Financial Statements, including a summary of the Material Accounting Policy information and other explanatory information, [hereinafter referred to as Ind AS Financial Statements].

In our opinion and to the best of our information and according to the explanations given to us, except for the matters described in the Basis for Qualified Opinion paragraph below the aforesaid Standalone Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of The Act read with the companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and Loss for the year ended on that date.

Basis for Qualified Opinion

The Company's net worth has completely eroded. The accumulated loss for the reporting period amounts to Rs. 9,195.89 Lakhs (Previous Year Rs. 7,125.15 Lakhs). The turnover during the year ended 31st March 2025 amounts Rs. 9,954.20 Lakhs (Previous Year Rs. 12,711.70 Lakhs) as per the books of accounts. The statement of profit and loss account also indicates that the company has been incurring net losses for the previous three years including the period under audit. These events indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. However, the company's statement of audited financial results has been prepared on going concern basis of accounting, based on the opinion of the management that the company would generate sufficient profits in the foreseeable future.

We have observed that, advances paid amounting to Rs. 86.07 Lakhs, which are long outstanding and since confirmation of balances have not been received for the amount of Rs. 43.20 Lakhs, we are unable to comment on the quality of such assets.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter paragraph.

We have observed that an advance to an extent of Rs. 39.08 Lakhs, has been given, for the purchase of machinery which is outstanding for more than 3 years.

Our opinion is not modified with respect to the above matters.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Key Audit Matters –

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financials statements of the current period. We have determined that there is no key audit matters to be communicated in the report.

Information Other Than Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information in the Annual Report, comprising of the Director's report and its annexures, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Standalone Financial Statements that give a true and fair view of the Standalone Financial position, Standalone Financial Performance and Standalone Cash Flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's Financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that.
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit.
 - b. In our opinion, proper books of accounts as required by the law have been kept by the Company as far as it appears from our examinations of those books.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

- c. The Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement are in agreement with the books of accounts.
- d. In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the requirements of Section 197(16) of the Act, as amended.
- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such control refer to our separate report in "Annexure A."
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigations and hence, reporting under this clause is not applicable.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The company is not required to transfer any amount to Investor Education and Protection Fund.
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("intermediary"), with the understanding, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other person or entities identified in any manner whatsoever by or the like on behalf of the Ultimate Beneficiaries:
 - c. Based on the audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations as provided under (a) and (b) above, contain any material misstatement.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

- v. The board of directors of the company have not proposed final dividend for the year which is subject to the approval of members at the ensuing annual general meeting.
- vi. The company does not have the accounting software which has the feature of recording audit trail (edit log) facility as applicable to the company with effect from April 1, 2023 as prescribed under Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" a statement on the matters specified in the paragraphs 3 and 4 of the Order to the extent applicable.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF SRI LAKSHMI SARASWATI TEXTILES (ARNI) LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of SRI LAKSHMI SARASWATI TEXTILES (ARNI) LIMITED. (“the Company”) as of 31st March 2025 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Managements Responsibility for Internal Financial Control

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).” These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Controls for Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

1. Pertain to the maintenance of controls of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and Directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls System over Financial Reporting and such Internal Financial Controls over Financial Reporting were operating effectively as at March 31 2025, based on the Internal Control over Financial Reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

- (xvii) According to the information and explanations given to us, the company has incurred cash losses during the year, which amounts to Rs. 23.58 Lakhs (Previous year cash loss of Rs.12.01 Lakhs).
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payments of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx)(a) According to the information and explanations given to us, the company is not required to transfer any amount to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the year. Hence this clause is not applicable.
- (b) The Company is not required to spend the minimum amount required to be spent as stipulated in Section 135 of the Companies Act. Hence this clause is not applicable.
- (xxi) The Company has no subsidiary and hence Clause 3(xxi) is not applicable

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of Financial Statements

Note: 1 Company Overview

Sri Lakshmi Saraswathi Textiles (Arni) Limited is a public limited company incorporated and domiciled in India and has its registered office at No. 16, Krishnamma Road, Nungambakkam, Chennai – 600 034. The company's shares are listed in BSE Ltd. The company is principally engaged in the manufacture of yarn and surgical face masks. The company is also engaged in generation of electricity from its windmills for its captive consumption. The financial statements of the company for the year ended 31st March 2025 were approved and adopted by the Board of Directors of the company in its meeting held on 24th May 2025.

Note: 2 Statement of compliance

All accounting policies followed by the company are in accordance with the Indian Accounting Standards (Ind AS) notified u/s 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and conform to Schedule III to the Companies Act, 2013 as applicable.

Note: 3 Basis of Preparation and Compliance

The financial statements are prepared in accordance with the historical cost convention except for certain items that are measured at fair values at the end of each reporting period, as explained in the accounting policies set out below. The financial statements are prepared on a going concern basis using accrual concept except for the cash flow information.

Historical cost is generally based on fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS-2 inventories or value in use in Ind AS 36 – Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, as described hereunder:

Level 1 -Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 -Other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 - Unobservable inputs for the asset or liability.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of the Financial Statements

Note: 4 Material Accounting Policy Information

Pursuant to the Companies (Indian Accounting Standards) Amendment Rules, 2023 effective 01-04-2023, the company is required to disclose 'material accounting policy Information' in lieu of the earlier requirement of disclosing 'significant accounting policies'.

Specific disclosure of material accounting policy information where Ind AS permits options is made hereunder:

The company has assessed the materiality of the accounting policy information, which involves exercising judgement and considering both quantitative and qualitative factors by considering not only the size and nature of the item or condition but also the characteristics of the transactions, events or conditions that could make the information more likely to impact the decisions of the users of the financial statements.

Note: 5 Significant Accounting Policies and key accounting estimates and judgments Significant Accounting Policies

5.1 Property, Plant and Equipment (PPE)

- i. For transition to Ind AS, the Company has elected to continue with the carrying value of all of its PPE recognised as of April 1, 2016 (transition date) measured as per the previous IGAAP as its deemed cost as on the transition date.
- ii. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives and residual values are reviewed at the end of each reporting period and changes, if any, are treated as changes in accounting estimate. The useful lives are based on technical estimates and the management believe that the useful lives are realistic and fair approximation over the period of which the assets are likely to be used.
- iii. Estimated useful lives of the assets are as follows:

Asset	Years
Factory Buildings	30
Buildings (other than factory buildings) (Quarters)	60
Plant and Equipment (including continuous process plants)	15
Furniture and Fixtures	10
Vehicles	8 to 10
Office Equipment	5
Computer Equipment	Hardware 3
	Software 2
Electrical installation	10

- iv. Assets costing Rs.10,000/- and below are depreciated in full in the year of addition.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of the Financial Statements

5.2 Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognised on a straight-line basis over their estimated useful lives. The estimated useful life is reviewed annually with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets are amortized equally over the estimated useful life not exceeding three years.

5.3 Financial assets

a. Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost. The debt instruments carried at amortised cost include Deposits, Loans and advances recoverable in cash.

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are Solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

b. Investments in equity instruments at FVTOCI

The Company has irrevocably designated to carry investment in equity instruments as Fair Value Through Other Comprehensive Income (FVTOCI). On initial recognition, the Company makes an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in Other Comprehensive Income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in Other Comprehensive Income and accumulated in the 'Reserve for equity instruments through Other Comprehensive Income'. On derecognition of such Financial Assets, cumulative gain or loss previously reported in OCI is not reclassified from Equity to the Statement of Profit and Loss. However, the Company may transfer such cumulative gain or loss into retained earnings within equity.

The Company has equity investments which are not held for trading.

Dividends on these investments in equity instruments are recognised in the Statement of Profit or Loss when the Company's right to receive same is established, it is probable that the economic benefits associated with the dividend will flow to the Company, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

c. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses "Expected Credit Loss" (ECL) model, for evaluating impairment of financial assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of the Financial Statements

- Full lifetime expected credit losses (expected credit losses that result from all possible defaults events over the life of the financial instrument).

For trade receivable, Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk, full lifetime ECL is used.

d. Financial liabilities

All financial liabilities are initially recognised at the value of respective contractual obligations. Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

5.4 Inventories

Inventories other than by-products are stated at lower of cost and net realizable value. Inventory of by-products is stated at net realizable value. Materials and other items intended for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.

Cost comprises of all costs of purchase (that includes taxes and duties, net of input tax credit entitlement), costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Cost of raw materials, consumables, stores and spares is determined on weighted average basis and includes inward freight and other direct expenses.

Net realizable value is the estimated selling price less estimated costs for completion and sale.

Obsolete, slow moving and defective inventories are periodically identified and written down when necessary.

5.5 Revenue Recognition

a. Sale of products

Revenue is recognized upon transfer of control of the products to customers at a point in time i.e., when the products are delivered to the carrier in an amount that reflects the consideration that the company expects to receive in exchange for those products.

b. Interest Income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company there exists no uncertainty in the ultimate realization of the interest income and the amount can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and using effective interest rate method.

c. Insurance Claims

Insurance claims are recognized on the basis of claims admitted/ expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of the Financial Statements

5.6 Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Grants are recognised in the Statement of Profit and Loss on a systematic basis over the period in which the Company recognises as expense the related costs which the grants are intended to compensate. Specifically, Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the Balance Sheet and transferred to the Statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

Grants that are receivable as compensation for expenses or losses incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in the Statement of Profit and Loss in the period in which they become receivable.

5.7 Employee Benefits

(a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and recognised in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

(b) Post-employment benefits

(i) Defined Contribution Plans

Contribution to Defined Contribution Schemes towards retirement benefits in the form of Provident fund is recognised as expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

(ii) Defined Benefit Plans

The Company operates Defined Benefit Gratuity Plan for employees. The cost of providing defined benefits is determined using the Projected Unit Credit Method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognised in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/ (asset) are recognised in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liabilities / asset) are recognised in comprehensive income and taken to "retained earnings". Such re-measurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company presents the above liability /(asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary. However, the entire liability towards gratuity is considered as current as the Company will contribute this amount to the gratuity fund within the next twelve months.

The Company is exposed to various risks in providing the above gratuity benefit which are as follows:

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of the Financial Statements

Interest Rate risk: The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Investment Risk: The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Salary Escalation Risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future, based on past experience. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic Risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out adverse compared to the assumptions.

(c) Other Long-term Employee Benefits

Entitlement to earned leave and sick leave is recognised when it accrues to employees. Earned leave/ sick leave can be availed or encashed either during service or on retirement subject to a restriction on the maximum number of accumulation of leave. The Company determines the liability for such accumulated leave using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date.

5.8 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, (which are assets that necessarily take a substantial period of time to get ready for their intended use) are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

5.9 Foreign Currency Transactions

a. Initial Recognition

On initial recognition, transactions in foreign currencies are recorded in the functional currency (i.e., Indian Rupee), by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

b. Measurement of foreign currency items at reporting date

Foreign currency monetary items are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured.

c. Recognition of exchange difference

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements is recognised in profit or loss in the period in which they arise.

5.10 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of the Financial Statements

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

5.11 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are based on classification made in a manner considered most appropriate to Company's business.

Key Accounting estimates and judgments

5.12 Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

5.13 Changes in estimates

The estimates and underlying assumptions are reviewed on an ongoing basis. The effect of change in an accounting estimate is recognized prospectively by including it in profit or loss in (a) the period of the change if the change affects only that period; or (b) the period of the change and future periods, if the change affects both.

However, the change in an accounting estimate that gives rise to changes in assets and liabilities, or relates to an item of equity, is recognized by adjusting the carrying amount of the related asset, liability or equity item in the period of the change.

5.14 Key sources of estimation uncertainty

Key assumption concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is as given below.

a. Actuarial valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognized in the Statement of Profit and Loss and in Other Comprehensive Income. Such valuation depends upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in the Notes to the financial statements.

b. Claims, Provisions and Contingent Liabilities

The Company does not have any ongoing litigations with tax and regulatory authorities and third parties. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability.

1. The fair value of investment in quoted equity shares measured at quoted price on the reporting date.
2. In case of trade receivables, cash and cash equivalents, trade payables, short term borrowings and other financial assets and liabilities it is assessed that the fair values approximate their carrying amounts largely due to the short-term maturities of these instruments.
3. The fair values of the financial assets and financial liabilities included above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties.

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of the Financial Statements

Note 36 (A) : Fair value Measurements

(i) Fair value measurement hierarchy of the Company's financial assets and liabilities:

(Amt in Lakhs)

Financial assets	Fair value	Fair value hierarchy		
		Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Financial assets measured at Fair Value through Other Comprehensive Income (Note 7)				
As at 31.03.2025				
Investments in quoted equity shares	—	—	—	—
Investments in unquoted equity shares - Other Entities	31.55	—	—	31.55
As at 31.03.2024				
Investments in quoted equity shares	—	—	—	—
Investments in unquoted equity shares - Other Entities	102.15	—	—	101.82

(ii) Financial Instrument measured at Amortised Cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

- 0.5% decrease	-17.20	-19.31

Sri Lakshmi Saraswathi Textiles (Arni) Limited

Notes forming part of the Financial Statements

Sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods of assumptions used in preparing the sensitivity analysis from prior years.

viii) Financial Risk Management

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyze the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, develops a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

Notes forming part of the Financial Statements

The company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are lease.

Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are in several jurisdictions and operate in largely independent markets. In the case of Corporate / Export Customer, credit risks are mitigated by way of enforceable securities. However, unsecured credits are extended based on creditworthiness of the customers on a case-to-case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss.

Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short-term and medium-term deposits placed with Banks for margin money held for the purpose of LC. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

Liquidity Risk

Liquidity Risks are those risks that the Company will not be able to settle or meet its obligations on time or at a reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day-to-day operations.

Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with the import of cotton, capital goods & spares, besides exports of finished goods in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated foreign exchange inflows/ outflows, timing of cash flows, tenure of the forward contract and prevailing foreign exchange market conditions.

Cash flow and fair value interest rate risk

Interest rate risk arises from short-term borrowings with variable rates which exposed the Company to cash flow interest rate risk. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile to reduce both the risk of refinancing and large fluctuations of its financing cost.
